PROXY STATEMENT
FOR THE 2017
ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board” or the “Directors”) of TCG BDC, Inc., which is sometimes referred to in this proxy statement as “TCG BDC,” “we,” “us,” “our,” or the “Company,” for use at the Company’s 2017 Annual Meeting of Stockholders (the “Meeting”) to be held at the offices of the Company, 520 Madison Avenue, 40th Floor, New York, NY 10022 on May 16, 2017, at 8:00 a.m. Eastern time. Only holders of record of our common stock at the close of business on March 20, 2017 (the “Record Date”) will be entitled to notice of and to vote at the Meeting. At the close of business on the Record Date, we had 41,708,155 shares of common stock outstanding and entitled to vote at the Meeting.

In accordance with rules and regulations adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide our stockholders access to our proxy materials on the Internet, including the proxy statement and the accompanying form of proxy (collectively, the “Proxy Statement”) and the Company’s annual report to stockholders (the “Annual Report”), which consists of the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016 (the “2016 Form 10-K”). Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) was distributed on or about March 31, 2017 to our stockholders of record as of the close of business on the Record Date. Stockholders are able to (1) access the proxy materials on a website referred to in the Notice or (2) request that a printed set of the proxy materials be sent, at no cost to them, by following the instructions in the Notice. You will need your 12-digit control number that is included with the Notice to authorize your proxy for your shares through the Internet. If you have not received a copy of this Notice, please contact us by mail sent to the attention of the Secretary of the Company, Matthew Cottrell, at our principal executive offices located at 520 Madison Avenue, 40th Floor, New York, NY 10022 or you can call us by dialing 212-813-4900.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of TCG BDC’s common stock represented by the proxy will be voted (1) **FOR** the election of one Director candidate nominated by the Board and (2) **FOR** the ratification of the selection of Ernst & Young LLP (“EY”) as our independent registered public accounting firm for the fiscal year ending December 31, 2017. Should any matter not described above be properly presented at the Meeting, the named proxies will have discretion to vote the shares thereby represented in accordance with their judgment.

Effective on March 15, 2017, the Company changed its name from “Carlyle GMS Finance, Inc.” to “TCG BDC, Inc.”

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the Record Date.

The Meeting is being held for the following purposes:

1. To elect one Director to serve for a three-year term until his successor is duly elected and qualified or until his earlier death, resignation or removal.
2. To ratify the selection of EY as our independent registered public accounting firm for the fiscal year ending December 31, 2017.
3. To transact such other business as may properly come before the Meeting or at any postponement or adjournment thereof.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. If you have properly voted by proxy online or via mail and did not subsequently revoke your proxy, you will be considered part of the quorum. We will count “abstain” and “withhold” votes as present for the purpose of establishing a quorum for the transaction of business at the Meeting. If at any time shares are held through brokers, we will count broker non-votes, if any, as present for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on some matters on the proxy card, but not on others, because the broker does not have instructions from the beneficial owner or discretionary authority (or declines to exercise discretionary authority) with respect to those other matters. Stockholders do not have cumulative voting rights or rights of appraisal.

Provided a quorum is present, Directors are elected by a plurality of the votes represented at the Meeting and voted for nominee(s) in the election. A proxy marked “withhold” with respect to a Director nominee will result in such Director nominee receiving one fewer “**FOR**” vote that would count towards a plurality.

The affirmative vote of the majority of shares represented at the Meeting and voting on the proposal will determine the outcome of the ratification of our independent registered public accounting firm. For each of these proposals, “abstain” votes and broker non-votes, if any, though counted for purposes of establishing a quorum, will have no effect on the outcome of the vote.

The inspector of elections appointed for the Meeting will separately tabulate affirmative and “withhold” votes, “abstain” votes and broker non-votes.

Adjournment of Meeting

In the event that a quorum is not achieved at the Meeting, either in person or represented by proxy, the chairman of the Meeting shall have the power to adjourn the Meeting *sine die* or from time to time not more than 120 days after the original Record Date without notice other than the announcement at the Meeting to permit further solicitation of proxies. If the Meeting is adjourned and a quorum is present at such adjournment, any business may be transacted which might have been transacted at the Meeting as originally notified.

The stockholders present either in person or by proxy at a meeting which has been duly called and at which a quorum has been established may continue to transact business until adjournment, notwithstanding the withdrawal from the meeting of enough stockholders to leave fewer than would be required to establish a quorum.

Proxies for the Meeting

The named proxies for the Meeting are Matthew Cottrell and Orit Mizrahi (or their duly authorized designees), who will follow submitted proxy voting instructions. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy **FOR** the election of the Director nominee named below and **FOR** the ratification of the selection of EY as our independent registered public accounting firm for the fiscal year ending December 31, 2017, and to vote on any other matters properly presented at the Meeting in their judgment.

Expenses of Soliciting Proxies

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and distributing the Notice and, if requested, this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, the proxy card, and the Annual Report, which consists of the Company’s 2016 Form 10-K.

In addition to the solicitation of proxies by mail or e-mail, proxies may be solicited in person and by telephone or facsimile transmission by Directors and officers of the Company, or certain employees of and affiliates of the Company's investment adviser without special compensation therefor. The Company has also retained AST Fund Solutions, LLC to assist in the solicitation of proxies for a base fee of approximately \$950, plus additional fees per contact with stockholders and for reimbursement of reasonable out-of-pocket expenses.

Householding of Proxy Materials

Under rules adopted by the SEC, companies and intermediaries (e.g., brokers) may satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies. The rules also apply to the delivery of the Notice.

The Company's amended and restated bylaws, as amended (the "Bylaws"), allow us to give a single notice to all stockholders who share an address, unless such stockholder objects to receiving such single notice or revokes a prior consent to receiving such single notice. A single copy of the Notice or, if applicable, our Proxy Statement and our Annual Report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to the attention of the Secretary of the Company, Matthew Cottrell, at our principal executive offices located at 520 Madison Avenue, 40th Floor, New York, NY 10022 or 212-813-4900. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate Proxy Statement and Annual Report, please notify your broker. Stockholders who currently receive multiple copies of the Proxy Statement and Annual Report at their addresses and would like to request "householding" of their communications should contact their brokers.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Contact Information for Proxy Solicitation

You can contact us by mail sent to the attention of the Secretary of the Company, Matthew Cottrell, at our principal executive offices located at 520 Madison Avenue, 40th Floor, New York, NY 10022. You can call us by dialing 212-813-4900. You can access our proxy materials online at <http://proxyonline.com/docs/tcgbdc/> using the control number found on your Notice and in the box at the right of your Proxy Card.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our Board is presently composed of five Directors, divided into three classes, each serving staggered three-year terms. The term of our first class of Directors will expire at the Meeting; the term of our second class of Directors will expire at the 2018 annual meeting of stockholders; and the term of our third class of Directors will expire at the 2019 annual meeting of stockholders.

In order to ensure that our Board consists of three classes divided as nearly equal in number as possible as required by our Articles of Amendment and Restatement, as amended (the "Articles of Amendment and Restatement"), on March 20, 2017, our Board approved effectively moving Michael A. Hart, who is currently a Class III Director and a member of the pricing committee of the Board (the "Pricing Committee"), from Class III to Class I, which would result in one (1) Class I Director, two (2) Class II Directors and two (2) Class III Directors. The Board has nominated Mr. Hart as a Class I Director, to serve until his successor is duly elected and qualified at the annual meeting of stockholders held in 2020 or until his earlier death, resignation or removal. If Mr. Hart is elected at the Meeting to serve as a Class I Director, he will resign from his position as a Class III Director effective upon his election as a Class I Director. If Mr. Hart is not elected as a Class I Director at the Meeting, he will not resign as a Class III Director and will continue to serve as a Class III Director. Mr. Hart is an "interested person" of the Company, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), because he presently serves as the Chief Executive Officer of the Company and a Managing Director of The Carlyle Group L.P. ("Carlyle"), an affiliate of the Company.

Mr. Hart has consented to being named in this Proxy Statement and to serving as a Director if elected at the Meeting. If, for any reason, Mr. Hart becomes unable or unwilling to serve at the time of the Meeting, the persons named as proxies in the proxy will have the authority to vote for a substitute nominee or nominees. We do not anticipate that Mr. Hart will be unable or unwilling to serve.

The Board recommends that stockholders vote "FOR" the Company's nominee for Director.

Biographical Information

Set forth below is a brief biography of Mr. Hart and of all other members of the Board who will continue in office. Also included below following each biography is a brief discussion of the specific experience, qualifications, attributes or skills that led our Board to conclude that the applicable Director should serve on our Board at this time. In addition, set forth further below is a biography of each executive officer of the Company who is not a Director. Unless otherwise indicated by footnote, the address for each listed individual is 520 Madison Avenue, 40th Floor, New York, NY 10022.

CORPORATE GOVERNANCE

Our Board of Directors

Board Composition

Our Board consists of five members. Pursuant to our Articles of Amendment and Restatement, the Board is divided into three classes, with the members of each class each serving staggered, three-year terms. The term of our Class I Directors will expire at the Meeting; the term of our Class II Directors will expire at the 2018 annual meeting of stockholders; and the term of our Class III Directors will expire at the 2019 annual meeting of stockholders.

Messrs. Merrill and Andrews serve as Class II Directors (with a term expiring in 2018). Messrs. Hart, Hendry and Nestor serve as Class III Directors (with a term expiring in 2019). Mr. Hart, if elected to serve as a Class I Director elected at the Meeting, will resign from his position as a Class III Director, and will serve as a

Class I Director (with a term expiring in 2020). If Mr. Hart is not elected as a Class I Director at the Meeting, he will not resign as a Class III Director and will continue to serve as a Class III Director (with a term expiring in 2019).

Independent Directors

Pursuant to Section 56 of the 1940 Act, a majority of a BDC's board of directors must be comprised of persons who are not "interested persons" of the Company, of the Adviser, or of any of their respective affiliates, as defined in Section 2(a)(19) of the 1940 Act ("Independent Directors").

Consistent with these considerations, after review of all relevant transactions and relationships between each Director, or any of his or her family members, and the Company, the Adviser, or of any of their respective affiliates, the Board has determined that each of Messrs. Andrews, Hendry and Nestor qualifies as an Independent Director. Each Director who serves on the Audit Committee is an Independent Director for purposes of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Interested Directors

Each of Messrs. Hart and Merrill is considered an "interested person" (as defined in the 1940 Act) of the Company because of his respective relationship with us, our Adviser or affiliated persons of the Adviser (each, an "Interested Director").

Meetings and Attendance

Our Board met eleven times during the year ended December 31, 2016, including four regular quarterly meetings and seven special meetings, and acted on various occasions by written consent. No incumbent Director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which he has been a Director) and the total number of meetings held by all committees of the Board on which he served (during the period that he served).

Board Attendance

All Directors are expected to attend at least 75% of the aggregate number of meetings of our Board and of the respective committees on which they serve. We require each Director to make a diligent effort to attend all Board and committee meetings. The Company does not currently have a policy with respect to Board member attendance at annual meetings of stockholders. One Director attended our 2016 annual meeting of stockholders.

Board Leadership Structure

Our Board monitors and performs an oversight role with respect to our business and affairs, including with respect to our investment practices and performance, compliance with regulatory requirements and the services, expenses and performance of our service providers. Among other things, our Board approves the appointment of our Adviser and officers, reviews and monitors the services and activities performed by our Adviser and executive officers, and approves the engagement and reviews the performance of our independent registered public accounting firm.

Under our Bylaws, our Board may designate a Chairman to preside over the meetings of our Board and meetings of the stockholders and to perform such other duties as may be assigned to him by the Board. We do not have a fixed policy as to whether the Chairman of the Board should be an Independent Director, and we believe that we should maintain the flexibility to select the Chairman and reorganize the leadership structure, from time to time, based on criteria that are in our best interests and our stockholders' best interests at such times.

Presently, Mr. Hart serves as the Chairman of our Board. Mr. Hart is an Interested Director. We believe that Mr. Hart's extensive knowledge of the financial services industry and capital markets in particular qualifies him to serve as the Chairman of our Board. We believe that we are best served through this existing leadership structure, as Mr. Hart's relationship with our Adviser provides an effective bridge and encourages an open dialogue between management and our Board, ensuring that both groups act with a common purpose.

Our Board does not currently have a designated lead Independent Director. We are aware of the potential conflicts that may arise when an Interested Director is Chairman of the Board, but believe these potential conflicts are offset by our strong corporate governance policies. Our corporate governance policies include regular meetings of the Independent Directors in executive session without the presence of Interested Directors and management, the establishment of an Audit Committee comprised solely of Independent Directors and the appointment of a Chief Compliance Officer, with whom the Independent Directors meet regularly without the presence of Interested Directors and other members of management, for administering our compliance policies and procedures.

We recognize that different board leadership structures are appropriate for companies in different situations.

Role in Risk Oversight

Our Board performs its risk oversight function primarily through (a) its standing Audit Committee, which reports to the entire Board and is comprised solely of Independent Directors, and (b) active monitoring by our Chief Compliance Officer and of the operation of our compliance policies and procedures. As described below in more detail under "Committees of the Board of Directors," the Audit Committee assists our Board in fulfilling its risk oversight responsibilities. The Audit Committee's risk oversight responsibilities include overseeing the internal audit staff (sourced through the Administrator and The Carlyle Group Employee Co., L.L.C. ("Carlyle Employee Co."), with whom we have a personnel agreement), accounting and financial reporting processes, our valuation process, our systems of internal controls regarding finance and accounting and audits of our financial statements.

Our Board also performs its risk oversight responsibilities with the assistance of the Chief Compliance Officer. Our Board annually reviews a written report from the Chief Compliance Officer discussing the adequacy and effectiveness of our compliance policies and procedures and our service providers. The Chief Compliance Officer's annual report addresses, at a minimum: (a) the operation of our compliance policies and procedures and our service providers since the last report; (b) any material changes to such policies and procedures since the last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any compliance matter that has occurred since the date of the last report about which our Board would reasonably need to know to oversee our compliance activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each year.

We believe that our Board's role in risk oversight is effective and appropriate given the extensive regulation to which we are already subject as a BDC. As a BDC, we are required to comply with certain regulatory requirements that control the levels of risk in our business and operations. For example, our ability to incur indebtedness is limited such that our asset coverage must equal at least 200% immediately after each time we incur indebtedness, we generally have to invest at least 70% of our total assets in "qualifying assets" and we are not generally permitted to invest in any portfolio company in which one of our affiliates currently has an investment.

We recognize that different board roles in risk oversight are appropriate for companies in different situations. We intend to re-examine the manners in which our Board administers its oversight function on an ongoing basis to ensure that they continue to meet our needs.

Communications with Directors

Our Board has established procedures whereby our stockholders and other interested parties may communicate with any member of our Board, the chairman of any of our Board committees or with our Independent Directors as a group by mail addressed to the applicable Directors or Director group, in the care of the Secretary of the Company, Matthew Cottrell, TCG BDC, Inc., 520 Madison Avenue, 40th Floor, New York, NY 10022. Such communications should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations, will be forwarded to the appropriate Director, or Directors, for review.

SOX Code of Ethics

The Company has adopted a Code of Ethics for Principal Executive and Senior Financial Officers under the Sarbanes-Oxley Act of 2002, as amended (the "SOX Code of Ethics"), which applies to, among others, our principal executive officer and principal financial officer. There have been no material changes to our SOX Code of Ethics or material waivers of the SOX Code of Ethics that apply to our Chief Executive Officer or Chief Financial Officer. We hereby undertake to provide a copy of the SOX Code of Ethics to any person, without charge, upon request. Requests for a copy of the SOX Code of Ethics may be made in writing addressed to the Secretary of the Company, Matthew Cottrell, TCG BDC, Inc., 520 Madison Avenue, 40th Floor, New York, NY 10022.

Committees of the Board of Directors

Our Board has established an Audit Committee and a Pricing Committee, and may establish additional committees in the future. The Board does not have a standing nominating committee because it believes the function typically served by this committee is best handled by those Directors whose term is not expiring currently. The Board does not have a standing compensation committee because our executive officers do not receive any direct compensation from us. The compensation of the Directors who are not considered "interested persons" of our Company is determined solely by those Directors.

Audit Committee

The Audit Committee is currently composed of Messrs. Andrews, Hendry and Nestor, all of whom are Independent Directors. Mr. Hendry serves as Chairman of the Audit Committee. Our Board has determined that Mr. Hendry is an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K, as promulgated under the Exchange Act. Each of Messrs. Andrews, Hendry and Nestor meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act. The Audit Committee operates pursuant to a charter approved by our Board, which sets forth the responsibilities of the Audit Committee. The Audit Committee's responsibilities include establishing guidelines and making recommendations to our Board regarding the valuation of our loans and investments, selecting our independent registered public accounting firm, reviewing with such independent registered public accounting firm the planning, scope and results of their audit of our financial statements, pre-approving the fees for services performed, reviewing with the independent registered public accounting firm the adequacy of internal control systems, reviewing our annual financial statements, overseeing internal audit staff and periodic filings and receiving our audit reports and financial statements. The Audit Committee held eight regular meetings and one special meeting during the year ended December 31, 2016.

Our Audit Committee's charter is available on our website at: <http://www.carlyle.com/our-business/global-market-strategies/tcg-bdc-inc>.

The Pricing Committee is currently composed of Messrs. Hart and Nestor. The Pricing Committee operates pursuant to a charter approved by our Board, which sets forth the responsibilities of the Pricing Committee. The principal goals of the Pricing Committee are to approve the offering price of shares of the Company's common

stock in accordance with the Company's valuation policies, and to ensure that the Company does not sell its common stock (i) at a price below the net asset value of such common stock, as required by Section 23 of the 1940 Act, as made applicable to BDCs by Section 63 of the 1940 Act, or (ii) at a price above the net asset value of such common stock as of the most recently completed fiscal quarter. The Pricing Committee held six meetings during the year ended December 31, 2016.

Director Nominations

Nomination for election as a Director may be made by the Board or by stockholders in compliance with the procedures set forth in our Bylaws. The Board does not have a standing nominating committee because it believes the function typically served by this committee is best handled by those Directors whose term is not expiring currently.

The Board seeks candidates who possess the background, skills and expertise to make a significant contribution to our Board, our Company and our stockholders. In considering possible candidates for election as a director, the Board takes into account, in addition to such other factors as it deems relevant, the desirability of selecting directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to our affairs;
- are able to work with the other members of our Board and contribute to our success;
- can represent the long-term interests of our stockholders as a whole; and
- are selected such that our Board represents a range of backgrounds and experience.

The Board has not adopted a formal policy with regard to the consideration of diversity in identifying Director nominees. In determining whether to recommend a Director nominee, the Board considers and discusses diversity, among other factors, with a view toward the needs of our Board as a whole. The Board generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to our Board when identifying and recommending Director nominees. The Board believes that the inclusion of diversity as one of many factors considered in selecting Director nominees is consistent with the goal of creating a Board that best serves our needs and the interests of our stockholders.

The Independent Directors whose term is not expiring at a meeting of stockholders select and evaluate any candidates for Independent Director at such meeting, and the Directors whose term is not expiring at a meeting of stockholders select and evaluate candidates for Interested Directors at such meeting, in each case in accordance with the criteria set forth above. Such Independent Directors and Directors, as applicable, are then responsible for recommending to the Board a slate of nominees for Independent Director and Interested Director positions, as applicable, for the Board's approval. Generally, candidates for a position as a member of the Board are suggested by existing Board members; however, the Board will consider stockholder recommendations for candidates for the Board, and will evaluate any such recommendations using the criteria set forth above.

Rule 17j-1 Code of Ethics

We have adopted a code of ethics (the "Code of Ethics") pursuant to Rule 17j-1 under the 1940 Act that establishes procedures for personal investments and restricts certain transactions by our personnel. We have also adopted the Adviser's Policies and Procedures Regarding Material, Non-Public Information and the Prevention

of Insider Trading (the “Code of Conduct and Insider Trading Policies”), intended to comply with Rule 17j-1 under the 1940 Act and Rule 204A-1 under the Investment Advisers Act of 1940, as amended. The Code of Ethics and the Code of Conduct and Insider Trading Policies generally do not permit investments by our and the Adviser’s personnel in securities that may be purchased or sold by us.

Involvement in Certain Legal Proceedings

The Company may become party to certain lawsuits in the ordinary course of business, including proceedings relating to the enforcement of our rights under contracts with our portfolio companies. The Company is not currently subject to any material legal proceedings, nor, to our knowledge, is any material legal proceeding threatened against the Company.

Election of Officers

Our Board elects our officers and each of our officers serves until his or her earlier death, resignation or termination or until his or her successor is duly elected and qualified.

Compensation of Executive Officers

We do not currently have any employees and do not expect to have any employees. Services necessary for our business are provided by individuals who are employees of the Adviser or its affiliates or by subcontractors, pursuant to the terms of the Investment Advisory Agreement entered into by and between the Company and the Adviser, as amended (the "Investment Advisory Agreement"), and the administration agreement entered into by and between the Company and the Administrator (the "Administration Agreement"). Each of our executive officers is an employee of the Adviser or its affiliates. Our day-to-day investment operations are managed by the Adviser. Most of the services necessary for the origination and administration of our investment portfolio are provided by investment professionals employed by the Adviser or its affiliates or by subcontractors.

None of our officers receives direct compensation from us. We have agreed to reimburse the Administrator for our allocable portion of the compensation paid to or compensatory distributions received by our Chief Financial Officer and Chief Compliance Officer. In addition, to the extent that the Administrator outsources any of its functions, we will pay the fees associated with such functions at cost. We have agreed to reimburse the Administrator, Carlyle Employee Co., with whom we entered into a personnel agreement, and our sub-administrator, CELF Advisors LLP ("CELF"), for our allocable portion of the compensation of any personnel, other than legal department personnel, that they provide for our use.

Certain Relationships and Related Party Transactions

Investment Advisory Agreement

On March 20, 2017, at an in-person meeting of the Company's Board, the Board, including a majority of the Independent Directors, approved the continuance of the Investment Advisory Agreement, dated as of April 3, 2013, between the Company and the Adviser in accordance with, and on the basis of an evaluation satisfactory to such Directors as required by, Section 15(c) of the 1940 Act. Subject to the overall supervision of the Board, the Adviser provides investment advisory services to the Company. For providing these services, the Adviser receives fees from the Company consisting of two components—a base management fee and an incentive fee.

Prior to an initial public offering of the Company's common stock that results in an unaffiliated public float of at least 15% of the aggregate capital commitments received prior to the date of such initial public offering (a "Qualified IPO"), the base management fee is calculated and payable quarterly in arrears at an annual rate of 1.50% of the average daily gross assets of the Company for the period adjusted for share issuances or repurchases, excluding any cash and cash equivalents and including assets acquired with leverage from use of the revolving credit facilities and the collateralized loan obligation notes issued as part of a \$400 million term debt securitization completed on June 26, 2015. For purposes of this calculation, cash and cash equivalents include any temporary investments in cash-equivalents, U.S. government securities and other high quality investment grade debt investments that mature in 12 months or less from the date of investment. Base management fees for any partial quarter are prorated. The Adviser contractually waived one-third (0.50%) of the base management fee prior to a Qualified IPO. The fee waiver will terminate if and when a Qualified IPO has been consummated.

The incentive fee has two parts. The first part is calculated and payable quarterly in arrears based on the pre-incentive fee net investment income for the immediately preceding calendar quarter. The second part is determined and payable in arrears based on capital gains as of the end of each calendar year.

Pre-incentive fee net investment income means interest income, dividend income and any other income (including any other fees (other than fees for providing managerial assistance), such as commitment, origination, structuring, diligence and consulting fees or other fees that the Company receives from portfolio companies) accrued during the calendar quarter, minus the operating expenses accrued for the quarter (including the base management fee, expenses payable under the administration agreement, and any interest expense or fees on any credit facilities or outstanding debt and dividends paid on any issued and outstanding preferred stock, but excluding the incentive fee). Pre-incentive fee net investment income does not include, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest and zero coupon securities), accrued income that the Company has not yet received in cash. Pre-incentive fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

Prior to any Qualified IPO of the Company's common stock, pre-incentive fee net investment income, expressed as a rate of return on the average daily Hurdle Calculation Value (as defined below) throughout the immediately preceding calendar quarter, is compared to a "hurdle rate" of 1.50% per quarter (6% annualized). "Hurdle Calculation Value" means, on any given day, the sum of (x) the value of net assets as of the end of the calendar quarter immediately preceding such day plus (y) the aggregate amount of capital drawn from investors (or reinvested in the Company pursuant to a dividend reinvestment plan) from the beginning of the current quarter to such day minus (z) the aggregate amount of distributions (including share repurchases) made by the Company from the beginning of the current quarter to such day but only to the extent such distributions were not declared and accounted for on the books and records in a previous quarter.

The Company pays its Adviser an incentive fee with respect to its pre-incentive fee net investment income in each calendar quarter as follows:

- no incentive fee based on pre-incentive fee net investment income in any calendar quarter in which its pre-incentive fee net investment income does not exceed the hurdle of 1.50%;
- 100% of pre-incentive fee net investment income with respect to that portion of such pre-incentive fee net investment income, if any, that exceeds the hurdle but is less than 1.875% in any calendar quarter (7.50% annualized). The Company refers to this portion of the pre-incentive fee net investment income (which exceeds the hurdle but is less than 1.875%) as the "catch-up." The "catch-up" is meant to provide the Adviser with approximately 20% of the Company's pre-incentive fee net investment income as if a hurdle did not apply if this net investment income exceeds 1.875% in any calendar quarter; and
- 20% of the amount of pre-incentive fee net investment income, if any, that exceeds 1.875% in any calendar quarter (7.50% annualized) will be payable to the Adviser. This reflects that once the hurdle is reached and the catch-up is achieved, 20% of all pre-incentive fee investment income thereafter is allocated to the Adviser.

The second part of the incentive fee is determined and payable in arrears as of the end of each calendar year (or upon termination of the Investment Advisory Agreement, as of the termination date), and equals 20% of realized capital gains, if any, on a cumulative basis from inception through the date of determination, computed net of all realized capital losses on a cumulative basis and unrealized capital depreciation, less the aggregate amount of any previously paid capital gain incentive fees, provided that the incentive fee determined at the end of the first calendar year of operations may be calculated for a period of shorter than twelve calendar months to take into account any realized capital gains computed net of all realized capital losses on a cumulative basis and unrealized capital depreciation.

The Company will defer payment of any incentive fee otherwise earned by the Adviser if, during the most recent four full calendar quarter periods (or, if less, the number of full calendar quarters completed since the initial drawdown of capital from the stockholders, "Initial Drawdown") ending on or prior to the date such payment is to be made, the sum of (a) the aggregate distributions to stockholders and (b) the change in net assets

(defined as gross assets less indebtedness and before taking into account any incentive fees payable during the period) is less than 6.0% of net assets (defined as gross assets less indebtedness) at the beginning of such period, provided, that such percentage will be appropriately prorated during the four full calendar quarters immediately following the Initial Drawdown. These calculations are adjusted for any share issuances or repurchases. Any deferred incentive fees are carried over for payment in subsequent calculation periods. The Adviser may earn an incentive fee under the Investment Advisory Agreement on the Company's repurchase of debt issued by the Company at a gain.

For the years ended December 31, 2016 and 2015, base management fees were \$12,359 thousand and \$8,907 thousand, respectively (net of waiver of \$6,180 thousand and \$4,454 thousand, respectively), incentive fees related to pre-incentive fee net investment income were \$14,905 thousand and \$8,881 thousand, respectively, and there were no incentive fees related to realized capital gains. The accrual for any capital gains incentive fee under accounting principles generally accepted in the United States ("U.S. GAAP") in a given period may result in an additional expense if such cumulative amount is greater than in the prior period or a reduction of previously recorded expense if such cumulative amount is less than in the prior period. If such cumulative amount is negative, then there is no accrual.

As of December 31, 2016 and 2015, \$8,157 thousand and \$5,277 thousand, respectively, were included in base management and incentive fees payable in the Consolidated Statements of Assets and Liabilities included in the Annual Report.

On April 3, 2013, the Adviser entered into a personnel agreement with Carlyle Employee Co., an affiliate of the Adviser, pursuant to which Carlyle Employee Co. provides the Adviser with access to investment professionals.

Administration Agreement

On March 20, 2017, at an in-person meeting of the Company's Board, the Board, including a majority of the Independent Directors, approved the continuance of the Administration Agreement, dated April 3, 2013, between the Company and the Administrator. Pursuant to the Administration Agreement, the Administrator provides services and receives reimbursements equal to an amount that reimburses the Administrator for its costs and expenses and the Company's allocable portion of overhead incurred by the Administrator in performing its obligations under the Administration Agreement, including the Company's allocable portion of the compensation paid to or compensatory distributions received by the Company's officers (including the Chief Compliance Officer and Chief Financial Officer) and respective staff who provide services to the Company, operations staff who provide services to the Company, and any internal audit staff, to the extent internal audit performs a role in the Company's Sarbanes-Oxley Act internal control assessment. Reimbursement under the Administration Agreement occurs quarterly in arrears.

For the years ended December 31, 2016 and 2015, the Company incurred \$703 thousand and \$595 thousand, respectively, in fees under the Administration Agreement, which are included in administrative service fees in the Consolidated Statements of Operations included in the Annual Report. As of December 31, 2016 and 2015, \$137 thousand and \$97 thousand, respectively, were unpaid and included in administrative service fees payable in the Consolidated Statements of Assets and Liabilities included in the Annual Report.

Sub-Administration Agreements

On April 3, 2013, the Administrator entered into sub-administration agreements with Carlyle Employee Co. and CELF. Pursuant to the agreements, Carlyle Employee Co. and CELF provide the Administrator with access to personnel.

On April 3, 2013, the Administrator entered into a sub-administration agreement with State Street Bank and Trust Company (as amended, the "State Street Sub-Administration Agreement"). On March 11, 2015, the Board,

including a majority of the Independent Directors, approved an amendment to the State Street Sub-Administration Agreement. The initial term of the State Street Sub-Administration Agreement ended on April 1, 2015 and, unless terminated earlier, the State Street Sub-Administration Agreement will renew automatically for successive annual periods, provided that such continuance is specifically approved at least annually by (i) the vote of the Board or by the vote of a majority of the outstanding voting securities of the Company and (ii) the vote of a majority of the Company's Independent Directors. The State Street Sub-Administration Agreement may be terminated upon at least 60 days' written notice and without penalty by the vote of a majority of the outstanding securities of the Company, or by the vote of the Board or by either party to the State Street Sub-Administration Agreement. For the years ended December 31, 2016 and 2015, fees incurred in connection with the State Street Sub-Administration Agreement, which amounted to \$602 thousand and \$486 thousand, respectively, were included in other general and administrative in the Consolidated Statements of Operations included in the Annual Report. ("CIM"), which wholly owns our Adviser and is a wholly owned subsidiary of Carlyle, pursuant to which CIM has granted us a non-exclusive, revocable and non-transferable license to use the name and mark "Carlyle."

Placement Fees

On April 3, 2013, the Company entered into a placement fee arrangement with TCG Securities, L.L.C. ("TCG"), a licensed broker-dealer and an affiliate of the Adviser, which may require stockholders to pay a placement fee to TCG for TCG's services.

For the years ended December 31, 2016 and 2015, TCG earned placement fees of \$12 thousand and \$6 thousand, respectively, from TCG BDC stockholders in connection with the issuance or sale of the Company's common stock.

Board of Directors

As of December 31, 2016 and 2015, current Directors had committed \$765 thousand in capital commitments to the Company.

Review, Approval or Ratification of Related Party Transactions

In the ordinary course of business, we may enter into transactions with affiliates and portfolio companies that may be considered related party transactions. In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with us, we have implemented certain policies and procedures whereby certain of our executive officers screen each of our transactions for any possible affiliations between the proposed portfolio investment, us, companies controlled by us, stockholders that own more than 5% of us and our employees and Directors. We will not enter into any agreements unless and until we are satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, we have taken appropriate actions to seek review and approval by our Board or exemptive relief for such transactions. Our Board will review these procedures on an annual basis.

From time to time, the Adviser, the Administrator or their respective affiliates, may pay third-party providers to provide goods or services to us. We will subsequently reimburse the Adviser, the Administrator or such affiliates thereof for any such amounts paid on our behalf.

Address of Our Adviser and Administrator

The principal executive offices of our Adviser, Carlyle GMS Investment Management L.L.C., and our Administrator, Carlyle GMS Finance Administration L.L.C., are at 520 Madison Avenue, 40th Floor, New York, NY 10022.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Directors and executive officers, as defined under the Exchange Act, and persons who own more than 10% of a registered class of our equity securities to file initial reports of ownership and reports of changes in ownership with the SEC. Such executive officers, Directors and stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of such forms filed by such persons, the Company believes that all persons subject to the reporting requirements of Section 16(a) filed all required reports on a timely basis in 2016, except for on one occasion, a statement of changes in beneficial ownership that should have been reported previously on Form 4 was reported on Form 5 for each of Messrs. Hart, Rathi and Levin and Ms. Mizrachi.

Required Vote

The Director nominee shall be elected by a plurality of all the votes cast at the Meeting in person or by proxy, provided that a quorum is present. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Shares represented by broker non-votes also are not considered votes cast and thus have no effect on the proposal.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF MICHAEL A. HART

PROPOSAL NO. 2
RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected EY to serve as our independent registered public accounting firm to audit our consolidated financial statements for the year ending December 31, 2017. While the Audit Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent auditor, we are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of EY as our independent registered public accounting firm. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain EY and may retain that firm or another without re-submitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year.

EY's representatives are expected to be available telephonically for the Meeting and will have an opportunity to make a statement, if they so desire, as well as to respond to appropriate questions asked by our stockholders.

Principal Accountant Fees and Services

Set forth in the table below are audit fees and non-audit related fees billed to the Company and payable to EY for professional services performed for the Company's fiscal years ended December 31, 2016 and December 31, 2015.

<u>Fiscal Year/Period</u>	<u>Audit Fees</u>	<u>Audit-Related Fees(1)</u>	<u>Tax Fees(2)</u>	<u>All Other Fees(3)</u>
2016	\$431,500	\$59,188	\$20,000	\$ —
2015	\$386,500	\$61,047	\$22,000	\$ —

- (1) "Audit-Related Fees" are those fees billed to the Company relating to audit services provided by EY.
- (2) "Tax Fees" are those fees billed to the Company in connection with tax consulting services performed by EY, including primarily the review of the Company's income tax returns.
- (3) "All Other Fees" are those fees billed to the Company in connection with permitted non-audit services performed by EY.

The Audit Committee reviews, negotiates and approves in advance the scope of work, any related engagement letter and the fees to be charged by the independent registered public accounting firm for audit services and permitted non-audit services for the Company and for permitted non-audit services for the Company's investment advisers and any affiliates thereof that provide services to the Company if such non-audit services have a direct impact on the operations or financial reporting of the Company. All of the audit and non-audit services described above for which fees were incurred by the Company for the fiscal years ended December 31, 2016 and 2015, were pre-approved by the Audit Committee, in accordance with its pre-approval policy.

Audit Committee Report

As part of its oversight of the Company's financial statements, on March 20, 2017, the Audit Committee reviewed and discussed with both management and the Company's independent registered public accounting firm the Company's financial statements to be filed with the SEC for the fiscal year ended December 31, 2016. Management advised the Audit Committee that all financial statements were prepared in accordance with U.S. GAAP, and reviewed significant accounting matters with the Audit Committee. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by the standards of the Public Company Accounting Oversight Board (United States) (the "PCAOB").

The Audit Committee has pre-approved, in accordance with its pre-approval policy, the permitted audit, audit-related, tax, and other services to be provided by EY, the Company's independent registered public accounting firm, in order to assure that the provision of such services does not impair the firm's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval in accordance with its pre-approval policy, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee has delegated pre-approval authority to the Chairman of the Audit Committee, William P. Hendry, who reports any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by EY to management.

The Audit Committee received and reviewed the written disclosures from EY required by the applicable PCAOB rule regarding the independent registered public accounting firm's communications with audit committees concerning independence, and has discussed with EY its independence. The Audit Committee has reviewed the audit fees paid by the Company to EY. It has also reviewed non-audit services and fees to assure compliance with the Company's and the Audit Committee's policies restricting EY from performing services that might impair its independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's financial statements as of and for the year ended December 31, 2016 be included in the 2016 Form 10-K, for filing with the SEC. The Audit Committee also recommended the appointment of EY to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2017.

Audit Committee Members:

William P. Hendry, Chairman

Nigel D.T. Andrews

John G. Nestor

The material in this report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Required Vote

The affirmative vote of a majority of the votes cast at the Meeting, in person or by proxy, provided a quorum is present, is required to ratify the appointment of EY to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. Abstentions will not be included in determining the number of votes cast and, as a result, will not have any effect on the result of the vote. Because brokers will have discretionary authority to vote for the ratification of the appointment of the Company's independent registered public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, there will not be any broker non-votes with respect to this proposal.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" RATIFICATION OF EY AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.

OTHER BUSINESS

The Board is not aware of any other matter to be submitted at the Meeting. If any other matter properly comes before the Meeting, the persons named in the enclosed form of proxy generally will have discretionary authority to vote the shares thereby represented in accordance with their judgment.
